(a) A penalty may be imposed for early withdrawals. The Annual Percentage yield assumes interest and principal will remain on deposit until maturity.

(b) The interest rate and annual percentage yield may change after account opening.

Investors receive .25 bump on CD and Money Market accounts

Fees could reduce the earnings on the account.

Interest Rates and Annual Percentage Yields are current as of the date listed at the top of this sheet.

This rate sheet contains the interest rates for all interest bearing accounts. These rates are subject to change at any time.

If the account is closed before interest is credited to your account, you may not receive the accrued interest.
